The Kingdom Ministry Manifesto

The Urgency of NOW to Build the Kingdom of God

There is a sense of urgency calling the Body of Christ to come up to a higher place. Do you feel it? There is a reason for this, we have come upon the time in human evolution that the righteous – the true believers in Jesus – take their predestined position the Kingdom of Heaven and the Kingdom of God. This is the Word the Lord shared with me to tell you in regards to His Kingdom.

A Word From the Lord

My children, it is time to access and release My Kingdom. I have already placed it within you, now it must be released for such a time as this. Inside of you lies My Kingdom and within My Kingdom is everything that you need to bring my instructions to pass upon the earth. It holds the full realization of my scripture. It is time to be taught in the things of My Kingdom as we are upon the time for it to come forth. – December 2010

God's Kingdom is all about power, dominion and authority. Yet far too many Christians are living disempowered, victimized and lives that do not reflect the promises of God. Kingdom is about the chosen of the Body of Christ coming together to complete the work of Jesus upon the Earth. Although the word, "Kingdom" is used often in today's worship centers, there is still a prevailing lack of knowledge about it. In order to begin to understand the concept of Kingdom as God intended it, you must first be clear about the difference between the Kingdom of Heaven and the Kingdom of God.

In order to understand the fullness of the Scripture you must understand that there is a distinction between the Kingdom of Heaven and the Kingdom of God. The Kingdom of Heaven is the already established, already existing invisible or spiritual realm of God that is already complete and fully manifested in Heaven or the realm of the unseen. This is what the Lord meant as he taught his disciples to pray and said "... on Earth as it is in Heaven." In Heaven and things are already complete. It is the perfect did manifestation of the order of God.

The Kingdom of God is the Kingdom to come that will exist upon the Earth. It is a replica of the Kingdom of Heaven upon your. It comes forth by the synergize gifts and works of his elect. The instruction as to how you are to manifest the Kingdom of God upon the earth already exists in the Kingdom of Heaven. Currently, the Kingdom of God exists inside every believer as God has placed an assignment that every believer is to pull down from Heaven and manifest upon the Earth. This is your Kingdom assignment. It goes beyond purpose, calling, and vision to revealing the fullness of what God created you to specifically impact and manifest upon the Earth.

Once we begin to understand the true meaning of this short Scripture, it holds the potential to change the very direction of our lives. You can be a believer and seeking God your entire walk and never access the Kingdom of God. As Matthew 6:33 tells us, God will not add the things that we need upon the Earth until we first seek, build or manifest our portion of the Kingdom of God. Until we are actively doing that the Lord does not fully take care of our needs.

Seek ye first the Kingdom of God and his righteousness and all these things shall be added and to you. – Matthew 6:33

When the Lord began to pour out the understanding of his Kingdom to me he started with this scripture. He shared with me that his children do not understand and have misinterpreted the meaning of this Scripture. He said that we are reading it as if it says:

*Seek ye first **God** and his righteousness and all of these things shall be added unto you.*

This is not what this Scripture says.

He shared with me that because we have not understood the Scripture and have understood it to mean that if we seek God first that he will then add everything we need in our lives. But when you look at the Scripture more closely indeed it actually says the worst the Kingdom of God and his righteousness. As the body of Christ we fail to understand the difference between seeking God and seeking the Kingdom of God; they are two different things.

What is standing in the way of His Kingdom coming forth upon the Earth?

There are two orders operating in the Body of Christ. One is the righteousness or order of God through Jesus, the other one is traditions and rudiments of man. The Lord is calling forth those who truly believe in Him to make a choice. You cannot serve both orders.

There is only one order in the Kingdom of Heaven and the Kingdom of God. This order is the order of God through Jesus – righteousness. Righteousness is not what many of us have come to think it is. It is not doing things right or making good choices. Righteousness is the actual order that God created and even with our best perceived behavior, we cannot will ourselves to operate in His order. An understanding of His order can only come through Jesus and His Holy Spirit.

Then, there is man's order. This is the order or rules that man has created that serve ego, pride and arrogance. Unfortunately, this is the order that is prevailing in today's churches throughout the Body of Christ.

A Word From The Lord

It is the time that traditions and rudiments of man must come down. I am dismantling the countless lies, works of the flesh and carnality that man has introduced into the purity of my

Word and has therefore corrupted it. All corruption must be exposed and seen for what it is – man seeking his own end and not the one I created man to seek.

Man’s order and God’s order cannot coexist. As believers we must make the transition from man’s order into God’s order and we must do it quickly. The issue is that we have not been properly taught how to distinguish one order from the other so we can line up to the order of the Kingdom of Heaven.

Colossians 2:8 - Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.

In order to pull down these areas of tradition and rudiments of man in our lives - which is something every true believer must go through – the first step is to understand how each of these areas of the rules of man show up in our walk with God. It is imperative that we wake up to that tactics to which traditions and rudiments of man keeps you bound.

Here is a chart to guide you in better understanding how to distinguish which order you are operating under.

Righteousness - The Order of the Kingdom of Heaven and God	Man’s order – The order of traditions and rudiments of man
Follows the Holy Spirit that comes directly from God	Follows man’s teachings and the rules s/he has established in that worship center
Scripturally based	Based on the world’s rules and regulations and what best serves the leaders of the organization
Based on pleasing God, The Father based on scripture and the leading of the Holy Spirit	Based on pleasing the flesh
Puts God and Jesus first	Puts ego, service and edification of man first
Equips people to serve beyond the limitations of a building, denomination or membership	Tells people that serving the Kingdom is serving inside the church building, denomination or membership
Impacts people lives outside of the four walls of a church	Conflicts with serving people outside of the church if it is not an existing ministry within the church or building
Requires relationship with and submission to Christ	Requires relationship and submission to man
Obligation first to God and Jesus Christ and to be present and accounted for spiritually	Obligation first to serve man and to be present and accounted for physically
Feels freeing and pulls you closer to God and your	Feels confining and pulls you closer to man and

time with the Lord	away from your time with the Lord
Teaches you how to flow in the works of Christ to serve the Kingdom of God and this always takes care of your needs and desires	Teaches you how to live a better life and take care of your needs and desires first.
Teaches you how to flow in the abundance of God through Jesus Christ	Teaches you how to gain money and materialism
Encourages you to grow, expand and impact lives of those you are called to touch	Encourages you to remain in a particular membership and to limit your interaction to the "church family"
Evokes freedom, liberty and possibility	Evokes guilt, confinement, obligation and limitation
Is all about pleasing The Father and Jesus	Is all about pleasing and impressing man and the leadership
Frees you to connect with and fellowship with other like-minded and like-spirited brothers and sisters in Christ throughout the Body of Christ	Limits you to remaining within the comfort zone of the church family or denomination
Open to new leadings of the Holy Spirit	Is uncomfortable with new leadings and wants to stick with the way things have been done and a program schedule
Empowers and engages the people with the Truth of the Word of God through revelation	Instructs people based on application or interpretation of the Word of God and requires additional theatrics and emotionalism to get people to stay engaged
Loves unconditionally	Tolerates with conditions on your behavior, the way you look, the way you act
Is comfortable moving in the signs, wonders and miracles that God uses to confirm His Word	Is uncomfortable allowing people to openly express the move of the Holy Spirit
Allows the leading of the Holy Spirit to guide them	Allows timing and programs to guide them and squelches moves of the Holy Spirit as it might usurp the designated program
Clearly distinguishes between manifestations of the Holy Spirit and of Satan and unclean spirits	Cannot distinguish between moves of the Holy Spirit and manifestations of Satan and unclean spirits
Teaches people how to access the Kingdom of Heaven through a pure heart and clean spirit and is evident in their behavior	Tolerates impurity in people's hearts, spirits and therefore unclean motives and behavior
Raises up the gifts, talents and growth of leaders and the flock and has leaders who raise up those even if they are a vessel for greater gifts than their own	Is not secure with raising and nurturing others gifts, talents and growth and attempts to squelch it and keep people in roles that make the leadership look good
Is freely surrendered to the moving of the Holy Spirit and allows the Spirit to flow	Goes through religious practices and protocols that squelch the move of the Holy Spirit

How do you know if you are ready to transition into Kingdom?

You will know you are ready because of a part of you is unsettled as you site in the midst of tradition and rudiments of man. The Lord is opening up your eyes to recognize the works of Satan, flesh and darkness wherever you are. You are beginning to thirst for a deeper, more substantive walk with Him. You desire to go beyond where you have ever been before in your understanding of God. You desire the Lord to open up the secrets of the gospel to you. You are beginning to question God more and are waking up to the mysteries that have been hidden or unrevealed to you. You begin to long to understand His purpose for your life and how to walk in it.

As this happens, if you are still planted in a local worship center, there are certain frictions that are created because a vast majority of today's worship centers are still operating under the doctrines of tradition and rudiments of man. You may begin to hear some of the following comments directed toward those the Lord is beginning to prepare to enter into His Kingdom and leave tradition behind.

"You are out of order."

"Your behavior is out of order [in this house]."

"You will be cursed if you move out and do that program, event or ministry outside of the church."

"You need to check with leadership before you do anything spiritually or in your life."

"If you leave, you will be leaving the Lord and He won't bless it."

"Where have you been? We haven't seen you lately."

"If you don't submit to me, you can't submit to God."

"You can't do that without a covering."

"You need to make sure you are covered by someone."

Among other comments that are designed to keep you confined within the four walls of the church and discourage you from launching out in ministry on your own.

Why aren't more Christians manifesting their Kingdom assignment?

More Christians are not manifesting their Kingdom assignments because they have not come to a place in their walk where they are ready for it to be revealed. This is due to a lack of hearing due to unclean spirits, disobedience, and fear (which is one of the fourteen stronghold spirits). Most believers have never been taught how to walk in their full Kingdom assignment. In order to live at this level, you must receive teaching that instructs you in how to remove anything in the way of uncovering the Kingdom of God within you and shows you how to move in the fullness of your Kingdom assignment.

Most ministers have been trained either through a church leadership training program which instructs them in how to operate under a particular denomination or the rules of the house or current leadership, through a seminary associated with a particular denomination or they have been trained in how to participate in mission trips around the world. There is very little training that walks true believers

through the process of shedding denominational traditions and rudiments in order to operate in the Truth of scripture and the revelation of the Lord. True Kingdom ministers need training that equips them for their ministry outside of the four walls of a church that is not associated with a local worship center or denomination and prepares them for the marketplace. Kingdom Ministers move in all areas of the five-fold ministry as well as building strategic Kingdom businesses to dominate in their selected industries.

Every part of the world and every problem the world is experiencing has been assigned to a believer to eradicate. God has planted the specific knowledge, skills and gives it will take to move into full power to you and dominion in that area. This is your Kingdom assignment. Your Kingdom assignment is the problem you are born to all, the location in which the Lord has called you to solve it, and the specific set of gifts and talents He has given you to operate in this area and complete this assignment.

All of the work we do in this ministry is about equipping and positioning you for the works of manifesting the Kingdom of God that has been planted within you. We look forward to supporting, guiding and partnering with you on this journey. To God be the Glory!
